Description

General information

In the south of Lanzarote, the island of volcanoes, stands the Hotel LIVVO Volcán Lanzarote: a five- star complex that stands out for its excellence and enjoys a privileged location.

With the Marina Rubicón harbour at its feet and overlooking the sea, you will find this spectacular hotel designed like a typical Lanzarote village. Here, you will not only be able to admire the characteristic Lanzarote architecture. You will discover faithful replicas of emblematic places such as the Church of Nuestra Señora de Guadalupe in Tegui at the entrance, or La Geria in the solarium.

Brand

Our four- and five- star hotels are surprisingly good value for money and offer advantages such as proximity to the beach as well as a wide range of gastronomy and leisure activities.

They are like works of art: we measure their success by the emotions and sensations they provoke in our guests. Our aim: to offer you experiences to create indelible memories. Our dream: to remain in your memory.
