Description

General information

The Hotel Rural LIVVO Maipéz combine tradition and comfort. Enjoying the flavours of the land, relaxing in the heart of nature and letting yourself go is an experience itself.

In addition, thanks to its well-kept facilities, our hotel is the dream space for holding events: our lounges and outdoor spaces together with the volcanic charm of the surroundings create a perfect setting.

Our hotel is a refuge that allows you to disconnect from the hectic world that surrounds us on a journey through the senses. The friendliness of the landscape invites you to discover the surroundings, an attraction for lovers of active tourism in the heart of nature. Together with this atmosphere, the naturalness and warmth of our staff make our hotel shine even more, if possible.

Brand

Our collection includes hotels with a small number of rooms. They are restored historic buildings, country houses, renovated farmhouses and privileged enclaves, where the essence and grace of the past meet comfort and attention to detail.
